Horses enter the ring individually to be judged. Enter at a trot. Trot length of rail and return. Stop to be judged. Walk to rail. Next horse repeat. All remain in ring (at far end)

### SHOW HORSE ALLIANCE: ENGLISH PLEASURE

**General** - The English Pleasure horse generally has less motion and animation than Three-Gaited and Park horses, but should be alert and exhibit high, free moving action. Horses must be shown with full mane and tail.

**Appointments and Attire** - A double-bridle, consisting of curb and snaffle bits, and a flat English-type saddle are required. Conservative, informal dress is appropriate.

**Gaits** - walk, trot and canter

### SHOW HORSE ALLIANCE: FINE HARNESS

**General** - The Fine Harness Horse should be the epitome of beauty, brilliance, elegance, expression and high motion, whose energy should be displayed through animation rather than speed.

**Appointments and Attire** - Shown in an appropriate fine harness and four-wheeled show buggy. Bridle with blinkers, Liverpool or snaffle bit with separate over check or side-check is required. Protective boots are permitted. Headers are permitted in line-up.

**Gaits** - animated walk and park trot. Judges may also call "Show Your Horse" in Open, Junior Horse, Limit, Novice and Maiden classes.

### **SHOW HORSE ALLIANCE SADDLE SEAT STANDARD**

The purpose of the Show Horse Alliance shall be to record pedigree information and promote the Saddle Seat English Type horse. The animal shall be judged according to the following standard. Whether in-hand, in harness, or under saddle, the ideal horse shall possess:

- A. MOTION – Balanced and correct with obvious power from the hindquarters flowing into an elevated front end. The front legs must show elasticity, flexion and extension. Impulsion should originate in the hindquarters of the animal, with the hocks driving from beneath the mass of the horse while performing required gaits.
- B. NECK – Very long, set vertically and high on the shoulder, arched and well flexed at the poll with a fine, clean throatlatch. The neck should be shapely and supple but without a pronounced crest.
- C. HEAD – Expressive and alert with moderate refinement and in proportion to each individual horse.
- D. WITHERS and SHOULDER – Prominent withers with a well-defined, sloping, laid-back shoulder.
- E. Proportionately short back, strongly coupled with a long hip and relatively level or moderately sloping croup.
- F. LEGS – Adequate bone, correct from all angles with long well angled pasterns. Long forearms and short cannon bones in front, hind legs with low-set hocks and good angulation.
- G. HOOVES – Proportionate, round and symmetrical (not dished or clubbed) with wide heels.
- H. The animal should not lack in substance, especially across the chest and through the girth, shoulder and hip.
- I. The masculinity of stallions and femininity of mares should be considered. Animals should be in good muscle tone with a smooth glossy coat.
- J. The horse shall have a relatively high-set tail, carried straight.
- K. When observed at rest or in motion, the horse must exhibit naturally high carriage and presence, and when animated, extreme brilliance and freedom of motion.

### **IN HAND JUDGING PROCEDURES**

Entries in SHA In-Hand classes are to be scored in comparison to the Standard which represents the ideal Saddle Seat type show horse. In addition, to be suitable and functional, conformation, motion carriage, style and quality should be well represented and considered. Handlers are encouraged to present their horses in a natural manner which best displays their natural strengths, attitude and finest features of each horse.

Horses to be presented as Show Horses, wearing an appropriate show type halter or bridle, and may be shown in a bit, if age 2 or over. One appropriately dressed handler and assistant allowed per horse during presentation. Each handler or assistant may present more than one horse during the class and carry a whip with or without a plastic or paper bag attached. Their use should not interfere with other class entries. Handlers or assistants are also allowed use of small shaker cans or tins and should be courteous to all other exhibitors in their use.

### **Preferred Scoring System**

Hind leg motion	1-10
Front leg motion	1-10
Conformation	1-10
Show Horse Attitude	1-10
Beauty and Quality	1-10

In case of tie in total points, final placement would be decided by the call judge.

Judge's points for each scoring category may be announced when horses are receiving their awards

### Ground Rules

- 1.) No parking in any restricted area. All vehicles and trailers must be parked in:
  - Grass parking lots beyond barns 8, 9 and 10.
  - The gravel parking lot(s).
  - Camper rental area when you rent such a space.
  - Cars only are to be parked in front of the main arenas. This parking is restricted against trailer parking.
- 2.) All vendors should be in the front. No vendors should be out back. Care should be exercised with extension cords. No extension cords are to lay across driveways (to keep animals from walking on the cords). When an extension cord must lay across a sidewalk, the cord should be under a protective covering to keep people from tripping on the cord.
- 3.) Overnight, all horses are to be in a stall. When rental stalls are not available, horses are to be kept in a trailer during the night. Absolutely no horse may be tied to any fence at any time.
- 4.) No motorized vehicles or bicycles are allowed on any porch or sidewalk at any time.
- 5.) All manure must go in the yellow dumpsters. Manure is not to be put or left on the blacktop. To do so will result in additional billing for the cost of cleanup.

## HALF ARABIAN / ANGLO ARABIAN HUNTER PLEASURE

**USDF Membership Benefits:** USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Directory* or the USDF Web site at [www.usdf.org](http://www.usdf.org).

This  
competition is  
recognized by  
USDF  
for 2010

**Membership Requirements for USEF-licensed/USDF-recognized Competitions:** Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership, Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF NM fee. (Note: USDF business members can own horses but cannot compete as riders with their USDF Business Membership (BM).)

Horses competing at USEF-licensed/USDF-recognized shows must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, Pas de Deux, Quadrille, or FEI ParaEquestrian classes, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot and academy classes. For foreign-owned horses competing in a CDI, USDF accepts copies of the horse identification pages from an FEI passport in lieu of a USDF HID or Lifetime Horse Registration (LHR) number.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

### Memberships Defined

**Participating Membership (PM):** A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$62), 5-years (\$250), or life (\$1,000). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21<sup>st</sup> birthday by December 1 of the current membership year (\$35). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan<sup>®</sup>/USDF Year-End Awards, Great American Insurance Group/USDF Breeders' Championship Series Finals, and the Great American Insurance Group/USDF Regional Dressage Championship program.

**Group Membership (GM):** A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

**Business Membership (BM):** A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$175) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

**Non-Member (NM) Identification Number:** For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$20 and a USDF NM form per competition that must be collected by the show secretary and submitted to USDF along with the USDF Report of Fees document and the \$5 affidavit fee if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF member there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post competition paperwork, along with a report listing all USDF NMs.

Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF Web site.

**Horse Identification (HID) Number:** A one-time tracking number for horses (\$20). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan<sup>®</sup>/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes or Great American Insurance Group/USDF Breeders' Championship Series Finals. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$65. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

**Lifetime Horse Registration (LHR):** A horse with an LHR (\$85) is eligible for Adequan<sup>®</sup>/USDF Year-End Awards, and eligible to compete at Great American Insurance Group/USDF Breeders' Championship Series Finals and Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

## The Medallion I Show is USDF Recognized #5765

### **ATTENTION COMPETITORS**

Each competitor is responsible for supplying management with correct association numbers (USDF, United States Equestrian Federation) for horse, owner, rider, and trainer, before the day(s) of the competition.

The scores of competitors who fail to supply correct numbers may not be counted toward national awards.

## ***USDF Statement on Animal Welfare***

The United States Dressage Federation, Inc. (USDF), a federation of over 125 independent organizations throughout the United States with a membership in excess of 33,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.
