

**The Medallion Horse Show**  
**'HORSE FOR SALE' Back Number Program**

Wilmington, OH  
Roberts Arena  
([www.robertsarena.com](http://www.robertsarena.com))  
June 12-13, 2010

**Want to get your sale horse noticed in the show ring? If so, then you'll want to have the Medallion "For Sale" back number.**

The best way to market a horse that's available for purchase is to let prospective buyers see the horse in action in the show arena. This year the Medallion is offering a "For Sale" back number program. For a nominal charge exhibitors will receive a back number with a special sticker to indicate that the horse they are riding is available. In addition to the back number sticker, 'Available for Purchase' flyers with the horses' information and photo will be posted through the facilities and will be available in the show office. Announcements will be made throughout the day in the show arena. The cost to participate in this program is \$20 (includes a photo of the horse in the flyer) or \$15 (no photo in flyer) per horse in advance of the show. The information/photo needs to be received at the address given below **by May 29**, but the horse does not need to be pre-entered in any classes. Back number stickers will be available at the show for \$10 but no information on the sale horse will be in the flyer.

Horse's Name:	
Breed (Pure- or Part-bred; if Part provide other breed)
